

## State Songs of the United States – Musical Repertoire

Practice singing the following songs.

Do a Think-Pair-Share activity in which students talk about:

- meaning of each song.
- major or minor key (there is a common assumption about music that major is happy, and minor is sad).
- describe what you like the most (rhythm, melody, lyrics, etc.) about this piece.
- analyze and discuss time signature, key signature, note values.
- clap or play the rhythm of each song on instruments like drums, shakers, or tambourine.
- create or improvise a movement activity to accompany each song.

Your teacher can help you learn to play each song on the xylophone, guitar, recorder, or piano.

# Rhode Island's It For Me

Audio J44

is the state song of Rhode Island

Maria Day

I've been to ev-'ry state we have, but I think that I'm in - clined to say that Rho-dy  
stole my heart. You can keep the for - ty nine. Her-ring gulls that dot the sky, blue  
waves that paint the rocks, Wat-er rich with Nep-tune's life, the boats that line the  
docks. I see the light - house flick-er-ing to help the sail - ors see.

Refrain

There's a place for ev-'ry one, Rhode Is - land's it for me! Rhode Is - land, oh, Rhode  
Is - land, Sur - roun - ded by the sea, some peo - ple roam the  
earth for home. Rhode Is - land's it for me!
